

# Certificate of Compliance

Certificate Number: MT24-05B6

**Applicant/Manufacturer:** Delta Electronics, Inc.

**Address:** 18, Xinglong Road, Taoyuan District, Taoyuan City 330477, Taiwan

**Software:** DIAView SCADA System

**Version:** 4.1.0

**Regulation:** U.S. FDA 21 CFR Part 11

**Technical File:** Doc.10.2402

## Product Description:

DIAView SCADA (Supervisory Control and Data Acquisition) system is data acquisition and monitoring control system.

DIAView SCADA system is a computer-based production process control and scheduling automation system. It can monitor and control on-site operating equipment to achieve data acquisition, equipment control, measurement, parameter adjustment, as well as various types of signal alarms, generating charts and other functions.

Users can view the data, charts and reports. DIAView SCADA system provides a closed system for electronic recording, saving, and archiving of process data which meets the requirements of FDA 21 CFR Part 11. The system ensures that only authorized persons are allowed to operate the system, while the integrated audit trail manager closely documents all operating actions.

## Conclusion:

This is to certify that the product complies with all relevant provisions of the U.S. FDA 21 CFR Part 11. This certificate is only valid for the technical file, software and configuration described above.

*Any significant changes in design or construction of the product, or amendments to the Standards referenced above may render this receipt invalid. The product liability rests with the manufacturer or his representative in accordance with U.S. FDA 21 Part 11. While all due care and skill was exercised in caring out this assessment, MTG Shanghai Mantong accept responsibility only for proven gross negligence. This certificate is issued for the date that the product was validated. Conformance to all regulation requirements is the sole responsibility of the manufacturer including the manufacture and quality control of the products.*

*This is not legal document and cannot be used as such. This certificate remains the property of MTG Shanghai Mantong to whom it must be returned on request.*
